To Whom It May Concern:

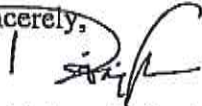

It is without reservation that I write this letter in support of Tim Ferguson's TPF Nursing Registry. I have had the honor of working with Tim both as a nurse and currently as Nurse practitioner. Also as part of a management team in a very busy Emergency Department, I have had to rely on this agency for supplement staffing.

T.P.F. Nursing Registry, Inc. has provided extremely satisfactory nursing and paraprofessional services to St. Vincent Catholic Medical centers of New York for many years. The nurses are always professional, conscientious, properly accredited and well informed.

T.P.F Nursing Registry is fully staffed with a reliable group that is always reachable and resourceful.

I am confident that TPF Nursing registry will prove to be a valuable addition to your hospital. I have worked with many of the nurses that T.P.F has in their agency and they have not only been qualified but bring there personal professional experience to the E.R. I recommend T.P.F. Nursing registry for nursing services without hesitation.

Sincerely,
